

Traditional Corded Headsets

VT6200 Series Headset

This traditional corded headset is designed for maximum comfort throughout the day.

It comes in mono or duo style, and has high definition voice quality, and a noise cancelling microphone making it ideal in call centres, busy offices and/or working from home.

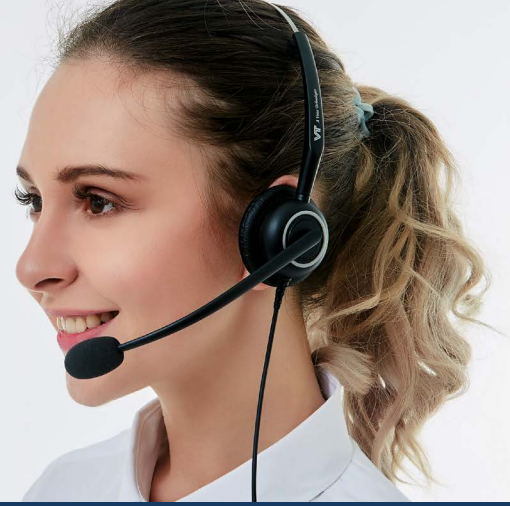

The stylish look will delight all users, and the soft leatherette ear cushion gives all day comfort. It's our best selling traditional corded headset and comes with a spare ear cushion, quick disconnect lead options and a clothing clip.
