

USB UC Headsets

VT6300 Series Headset

This mid range headset is designed for maximum comfort throughout the day.

It comes with a USB connector and is compatible with Microsoft Teams and other soft phones/clients.

Available in mono or duo style, has high definition voice quality and a noise cancelling microphone, making it ideal for call centres, busy offices and/or working from home.

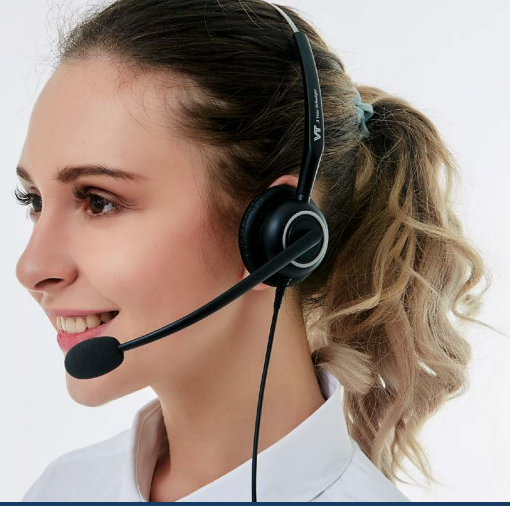

The stylish look will delight all users, and the soft leatherette ear cushion gives all day comfort. It's our best selling corded headset and has Teams compatible in-line controls.
