

Cordless BT & DECT Headsets

## VT9200 BT Headset

*Our stylish entry level Bluetooth headset comes in both mono and duo formats. The dynamic equaliser optimises voice quality on calls and automatically adjusts when listening to music.*

*Bluetooth connectivity allows you to connect with two devices at the same time, and has a cordless range of up to 30 metres.*

*Combined with BT50U it is compatible with MS teams and most soft phone clients.*

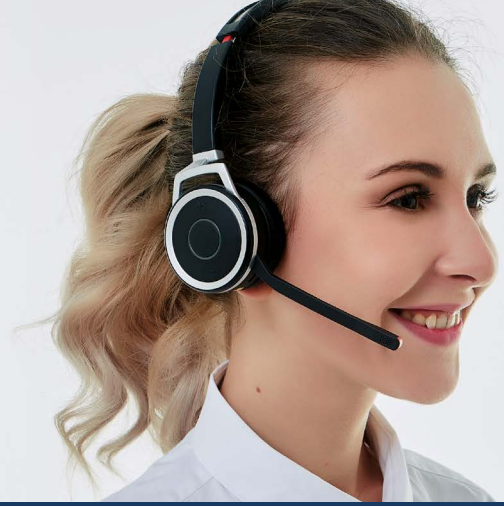

This entry level Bluetooth headset is stylish and multi functional. It can connect to 2 devices at once, and has a range of up to 30 metres, making it ideal for receptionists, call centres and working from home.
