

Cordless BT & DECT Headsets

## VT9400 DECT Headset

*This wireless DECT headset is designed to provide flexible connectivity to your desk phone and softphone. It utilises noise cancelling technology and has a range of 150 metres with up to 8 hours talk time.*

*Add the optional EHS to remotely answer calls. Compatible with most softphones and MS Teams.*

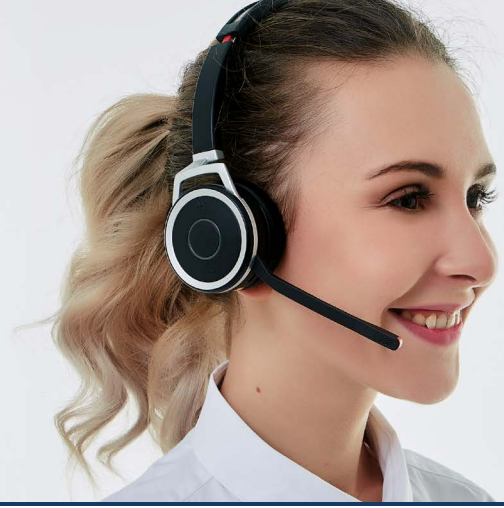

This cordless DECT headset has superior noise cancellation, making it ideal for a busy office environment. The optional EHS cable allows you to answer and end calls to your desk phone when away from your desk from up to 150 metres. It's also compatible with most softphones and Microsoft Teams.
